All prices displayed are 'per treatment' based on applicable pre-pay discounts. The full price paid will be the 'per treatment' price multiplied by the number of pre-paid treatments purchased i.e. 6 or 10.

*A \$25 shaving fee applies to clients who come to their appointment unprepared for the treatment.

If you find a lower price on laser hair removal at a competitor in NZ we will match the retail price and then beat it by 10%.

*This applies to regular retail pricing only.
